IMPROVING HEALTHCARE

OUR COMPANY

Lupin is an innovation-led transnational pharmaceutical company headquartered in Mumbai, India. The Company develops and commercializes a wide range of branded and generic formulations, biotechnology products, and APIs in over 100 markets in the U.S., India, South Africa, and across the Asia Pacific (APAC), Latin America (LATAM), Europe, and Middle East regions.

We are one of the privileged few that have the fundamentals in place to shape a better future for society, to make the world healthier and happier. To build a better tomorrow. We embrace this not as a responsibility but as an obligation.

Dr. Desh Bandhu Gupta
Founder, Lupin Limited
(1938 - 2017)

From the Business Head-

At Lupin Ltd, we are committed to creating a healthier world by leveraging our expertise in research, development, manufacturing, and distribution of generic medicines. Our team of dedicated professionals have always ensured that our products meet the highest standards of quality, safety, and efficacy.

We understand that our success is closely linked to yours, and we are committed to building strong partnerships based on trust, transparency, and mutual benefit. Our objective is to partner with you to develop a strong distribution network through which we can promote and supply quality healthcare to all the patients.

We believe that by working together, we can achieve great things and create a brighter future for all. We look forward to partnering with you and making a meaningful difference in the lives of patients around the world.

Regards,

Mr. Ashutosh Inamdar

(Senior General Manager)

Lupin Generics.
